Aims and objectives

What do you wish to achieve by providing regulated activities?

How will your service help the people who use your services?

Please use the numbered bullet points:

The Trust's **mission** is 'To improve local health and promote wellbeing in the communities we serve.'

We will do this by working closely with local people and partners to promote good health and to be a leading provider of excellent community healthcare services in the North West.

We have defined the following **values** as being central to everything we do:

- **Patient Centred** – *We always prioritise patient care.*
- **Encourage Innovation** – *We encourage and embrace new ideas to deliver improvements in patient care.*
- **Open and Honest** – *We communicate clearly to develop relationships based on mutual trust and respect.*
- **Professional** – *We provide a quality service for patients by investing in our staff, recognising and valuing their contribution.*
- **Locally led** – *We will continually develop our knowledge of the communities we serve, so that we can be responsive to local need.*
- **Efficient** – *We will use our resources wisely to ensure quality patient care and value for money.*

Strategic Objective 1. To deliver high quality, safe and effective care which meets both individual and community needs

Strategic Objective 2. To deliver innovative and integrated care close to home which supports and improves health, wellbeing and independent living

Strategic Objective 3. To deliver value for money, be financially viable and be commercially successful

Strategic Objective 4. To be a highly effective organisation with empowered, highly skilled and competent staff

Legal status	Community NHS Foundation Trust

Location : 13	
Name of location	Bridgewater CHCFT Bath Street Health & Wellbeing
Address line 1	Leigh Street
Address line 2	Warrington
Address line 3	WA1 1UG

Brief description of location²

The Health Centre is a multi-purpose town centre facility which is fully compliant with current regulations on accessibility

The Dental Department is situated on the 2nd floor and can be accessed by lift and stairs.

It comprises 7 surgeries, (one of which contains a tilting platform for patients who use a wheelchair) and recovery room, a 2 roomed decontamination suite (compliant with HTMO105), x ray room, office and storage accommodation, reception and waiting area.

The service provides dental care for adults and children with special care needs, minor oral surgery and intravenous and inhalation sedation for anxious patients on referral.

The department also provides a base for epidemiology and the Oral Health Promotion services.

There is a GP Extended Access Service that provides none urgent/routine appointments for patients outside normal practice hours, between 6-8pm midweek and sat 8am to 8pm. Patients access via referral from their GP practice. The service has been set-up in order to improve access to primary care provision, at times that are more accessible to patients.

The Warrington Borough provides its GP Out of Hours from this location.

A range of community health services are also provided including District Nursing treatment room and Single Point of Access.
