

# NEW online pregnancy and early years magazine for parents in Halton

You can find lots of information online to help you through the early years of parenting - but where do you start?

Our new magazine make it easy by linking to lots of useful information about pregnancy, breastfeeding, child accident prevention, immunisations and local services and support.

You can access the magazine using the Flipboard app on your phone, tablet or PC or laptop.

## How to get the newsletter:

- ➔ download the latest version of the Flipboard app onto your device
- ➔ set up a Flipboard account
- ➔ search for 'Children's Centres Halton' - you'll see the logo alongside our magazines
- ➔ or you can scan the QR code below with your smartphone
