

Self referral to Bridgewater Midwifery Service

Do you think you are pregnant?

If so, you can contact a midwife without seeing your doctor first on **0151 495 5079**.

In Runcorn referral forms are available from the GP receptionist that will be forwarded to Midwifery Services.

When you first learn that you are pregnant it is important to contact our Midwifery Service.

Early contact will make sure that you receive maternity health care that takes account of all your health needs and preferences.

You can self-refer using our [self-referral form](#).
